## WORK EXPERIENCE

### E-Learning Developer

Seneca College, Markham, ON.

Jan 2018 - April 2018

Developed and revised web based course modules using **HTML, CSS, Bootstrap, Javascript, Adobe Dreamweaver**, and **Articulate Storyline 3** for undergraduate college courses

Collaborated with subject matter experts (SMEs), e-Learning developers, and technical specialists during course development in order to meet deadlines and quality standards

Created **Accessibility for Ontarians with Disabilities Act (AODA)** documents to ensure that all students can access and learn from their courses

### Food Prep

UW Food Services, Waterloo, ON.

Sept 2017 - Dec 2017

Exceeded work expectations by working efficiently and collaborating with team members to meet high demand while experiencing high foot traffic in the eatery

Developed interpersonal skills with colleagues through active listening to strengthen team dynamics

## PROJECTS

### Restuarant App Design

Developed a restaurant prototype using **Figma** to improve my design skills

May 2018 - Present

### Christopher-Libardo.github.io

Designed a personal website using **HTML, CSS, Chrome Developer Tools, Adobe Photoshop**, and **GitHub**

Jun 2017 - Present

## VOLUNTEER EXPERIENCE

### Student Ambassador

TEDxUW (University of Waterloo's independently organized TED event), Waterloo, ON.

Nov 2016

Advocated TEDxUW by interacting with participants and working with team members to promote and influential and educational event
